IX. Board Report: Mr. Dubos stated that he had received two phone calls regarding the health district, and one specifically mentioned Mr. Wilster and how very pleased they were with his response to them. Mr. Dubos thanked Mr. Wilster and all the staff for their hard work.

X. Old Business: None

XI. New Business: A. Appeal – Findings & Orders – Alan W. Vestal, 3853 Homewood Ave., Hubbard Twp. – Mr. Vestal did not sign in to participate in the Board meeting. A complaint was received regarding solid waste and open burning on this property. Inspections were conducted and notices of violation were issued on 5/20/20 and again on 6/3/20, but the owner did not comply. An administrative hearing was held, via telephone, on 7/23/20, and Board's Findings & Orders were issued to cease/desist bringing additional materials on site, cease/desist open burning and to remove all solid waste and construction/demolition debris to a licensed facility, and submit receipts by 9/7/20. Mr. Vestal submitted an appeal to the Findings & Orders on 8/20/20. A follow up inspection was conducted on 9/8/20, and violations remain. Discussion regarding a motion and the amount of time to correct the violations ensued.

MOTION: 20-109 made by Mr. Dubos, second by Mr. Simon to uphold the Board's Findings & Orders that were issued on July 27, 2020, and order Alan W. Vestal, 3853 Homewood Ave., Hubbard Twp. to cease/desist bringing additional materials on site and cease/desist opening burning immediately, and remove all solid waste and construction/demolition debris to a license facility and submit receipts to the health district within 30 days from the date of today's meeting.

Health Commissioner's Report – September 23, 2020 Board of Health Meeting

1) Budget/Financial

- Attached is the monthly financial report for August 2020. The general fund is at a positive cash balance of \$696,611.77, and our all fund balance at \$2,051,927.60. As I mentioned in my report last month, there was a transfer of \$442,545.82 into the general fund from the grants, which attributes to the large increase in the general fund cash balance in August.
- We received second half property taxes on September 11, 2020, in the amount of \$179,343.95.

2) Credit Card

- Quarterly update on the credit status has not changed.
- For the credit card transactions, please see the list of bills.

3) Vehicles

- Attached is the cost analysis for the month of August for the vehicles. The overall cost savings with the vehicles, for the month of August was \$1,046.57, with a year to date savings of \$5,339.69.

4) Building/Grounds

- With the recent storms, we did have some flooding in the basement; however, there was no damage. Trumbull County Maintenance is going to be installing a new sump pump in the basement, to try and prevent any future flooding.

5) Union/Management

- At the end of August, Natalie Markusic and Jenna Amerine volunteered and became the new union stewards.
- We hired three additional staff members, who started this month, to address our upcoming retirements. Tomi Liptak-Cardinale was hired as a Public Health Nurse I and started on September 9th, and Ericka Clark was hired as an Epidemiologist and Julie Callen as a Secretary 1, both Erika and Julie will start on September 21st.

6) Policies/Procedures – Revisions – (None)

7) COVID-19 (Coronavirus)

- School guidance documents and other information was discussed, developed and distributed to the superintendents regarding safe reopening of the schools. We continue to hold weekly Zoom calls with the superintendents and a separate call with school nurses via the Trumbull County Educational Service Center to keep each other up to date on all school matters. Furthermore, ODH has issued reporting orders to all school districts to notify parents of positive cases and to report all cases to our agency so that we can report a list to ODH. Thus, we are working with school on contact tracing and reporting.
- As stated in my previous reports, on March 11, 2020, Trumbull County had its first positive case, and upon receiving that notification from ODH, we went into full activation of the DOC. We established daily operating periods, and this meant we went to a 7-day workweek, and we are continuing to do that. As of 9/14/20, there have been 1,806 cases, 281 hospitalizations (my last report incorrectly listed 293 hospitalizations, but there were only 254 as of 8/5/20) and 126 deaths in Trumbull County, and our environmental division has fielded and/or investigated a total of 1,448 complaints.
- We continue with the issuing of daily press releases, and chose to do this method of communication versus face-to-face briefings in order to limit close contact.
- On 8/20/20, the Governor once again placed Trumbull County under the Level 3/Red risk category. The data that was collected indicated that our transition from "Orange" to "Red" was a direct result of 2 outbreaks that occurred within a 7-day period at 2 long term care facilities. Over the 7-day period of 8/10/20 through 8/17/20, these 2 facilities accounted for 47 of the cases in our county. Although the state increased our risk level during that time period, our county's cases number & hospitalization rates had actually been decreasing, and we were subsequently dropped back down the "Orange", and now with multiple weeks of low numbers, we have been lowered to "Yellow".

- ODH has not yet released guidance on how to handle Trick or Treat, but the health district and the EOC are working on a plan for a safe distribution of treats to the children. We have been in contact with the trustees and mayors of Trumbull County, and initially have asked for a commitment from them to hold their Treat or Treat on the same date, Saturday, October 31st, with a time from 5:00 PM to 7:00 PM, which would greatly cut down on individuals travelling from community to community, thus reducing the likelihood of transmission of COVID-19. We are working on our own guidance for communities to provide for safe Trick or Treating.
- Starting September 21st, senior centers will be permitted to restart, provided that they meet a number of risk reduction measures. One initiative is the bi-monthly testing of all staff members and a plan to test participants. We have been in communication with many of our senior center managers to provide guidance on meeting these requirements.
- I am pleased to announce that we have received a NOA for a COVID-19 grant to assist the most vulnerable in our county with support services. It is known as the COVID-19 Care Resource Coordination Support. We will be collaborating with the Warren City Health District, TCAP and the Trumbull County Planning Commission to develop strategies and distribution of funds.
- The strike call meetings for “hot spot” outbreaks in congregate living sites, as well as workplaces are continuing. This “Strike Team” involves rapid identification of cases, enhanced contact tracing and increased testing so that individuals that are positive or exposed can be properly isolated and quarantined to limit the spread of the virus. We have experienced good cooperation with the team members and the facilities. We currently have 3 facilities that are participating in the strike team calls.
- Weekly calls continue with other Ohio Health Commissioners with the Governor’s office reviewing more recent strategies that are being instituted to combat COVID-19.
