

**Trumbull County Board of Health – Vending Program Public Hearing & Regular Meeting
October 28, 2020 – 1:00 PM
176 Chestnut Ave. NE * Warren, Ohio**

Due to the COVID-19 Pandemic, this meeting was held via a Zoom Conference Call. Not all Board Members attended the meeting in person. The meeting was also live streamed on the health district's Facebook Page.

BOARD MEMBERS PRESENT: Thomas Borocz
Gregory Dubos
Dr. Harold Firster
Kathy Salapata, RN
John "Jack" Simon, Jr. – *Attended Via Telephone*
John Messersmith, President Pro Tempore
Robert Biery, Jr., President

STAFF: Frank Migliozi, MPH, REHS/RS, Health Commissioner
Sandra Swann, RN, Director of Nursing
Kristofer Wilster, MPH, REHS/RS, Director of Environmental Health
Jenna Amerine, MPH, CHES, Grant Coordinator
Natalie Markusic, REHS/RS, Accreditation Coordinator
Daniel Dean, MBA, CPA, IT Specialist
Johnna Ben, Administrative Coordinator

OTHERS: James J. Enyeart, MD, Medical Director
Robert Kokor, Legal Counsel

MINUTES

- I. **The Meeting was Called to Order, the Pledge of Allegiance was said, and Roll Call was Taken.**
- II. **Adoption of Agenda: *MOTION: 20-118* made by Mrs. Salapata, second by Dr. Firster to adopt the agenda as presented.**

Roll Call Vote:

Mr. Borocz – Yes
Mr. Dubos – Yes
Dr. Harold Firster – Yes
Kathy Salapata – Yes
Mr. Simon – Yes
Mr. Messersmith – Yes
Mr. Biery – Yes

Motion carried.

- III. **The Public Hearing was opened to hear proponent or opponent testimony. Affected operators were sent information as to how to participate in the public hearing via Zoom. Mr. Wilster called for**

proponent or opponent testimony regarding the proposed vending fee change three times, hearing none, the public hearing was closed.

- IV. **Approval of Minutes: MOTION: 20-119** made by Mr. Messersmith, second by Mr. Borocz to approve the minutes of the September 28, 2020, regular meeting, as presented.

Roll Call Vote:

Mr. Borocz – Yes
Mr. Dubos – Yes
Dr. Firster – Yes
Mrs. Salapata – Yes
Mr. Simon – Yes
Mr. Messersmith – Yes
Mr. Biery – Yes

Motion carried.

- V. **Health Commissioner Report:** Mr. Migliozi submitted a written report to the Board for their review. In addition, Mr. Migliozi reported that over the period of 10/19/20 through 10/25/20, Trumbull County experienced a new case increase of 199 cases compared to 89 cases the previous week. In addition, our case rate has increased from 25.76 per 100,000 through the end of September to 125.27 per 100,000 as of 10/28/20. Equally important is the 7-day increase that we also experienced during that same timeframe. AT the end of September our 7-day case rate went from 2.71 to 13 by the end of October. 95.5% of Trumbull County's cases are directly attributed to community spread, and not long term care facilities. Mr. Migliozi also informed the Board that 4 of our employees, Lindsay Adams, Randee Shoenberger, Dianne Simon and Lisa Spelich were recently featured in a statewide union magazine, which highlighted the health district's efforts in combating COVID-19.

MOTION: 20-120 made by Mr. Borocz, second by Mrs. Salapata to accept the Health Commissioner's written report as presented.

Roll Call Vote:

Mr. Borocz – Yes
Mr. Dubos – Yes
Dr. Firster – Yes
Mrs. Salapata – Yes
Mr. Simon – Yes
Mr. Messersmith – Yes
Mr. Biery – Yes

Motion carried.

- VI. **Director of Nursing Report:** Mrs. Swann submitted a written report to the Board for their review, noting one correction under the second bullet, the TCCHD Home Visitors participated in a CQI project with the Ohio State University College of Medicine which started August 2019, the report incorrectly lists it as starting in September 2019.

MOTION: 20-121 made by Mr. Messersmith, second by Dr. Firster to accept the Director of Nursing's written report, with the correction, as presented.

Roll Call Vote:

Mr. Borocz – Yes
Mr. Dubos – Yes
Dr. Firster – Yes
Mrs. Salapata – Yes
Mr. Simon – Yes
Mr. Messersmith – Yes
Mr. Biery – Yes

Motion carried.

VII. Director of Environmental Health Report: Mr. Wilster submitted a written report to the Board for their review.

MOTION: 20-122 made by Mrs. Salapata, second by Dr. Firster to accept the Director of Environmental Health's written report as presented.

Mr. Dubos stated that he had received a call from the Mayor Newton Falls indicating that the state had lifted the restrictions regarding mass gatherings for governmental meetings? Mr. Wilster stated that the health district had received an e-mail from the Summit County Health Department, who specifically asked the question, and yes, the Ohio Department of Health has indicated that governmental meetings, such as city council meetings, are considered a first amendment governmental function; however, it is required that all the usual safety measures, wearing of masks and social distancing be followed.

Roll Call Vote:

Mr. Borocz – Yes
Mr. Dubos – Yes
Dr. Firster – Yes
Mrs. Salapata – Yes
Mr. Simon – Yes
Mr. Messersmith – Yes
Mr. Biery – Yes

Motion carried.

VIII. Grant Coordinator Report: Ms. Amerine provided a written report to the Board for their review.

MOTION: 20-123 made by Mr. Messersmith, second by Dr. Firster to accept the Grant Coordinator's written report as presented.

Roll Call Vote:

Mr. Borocz – Yes
Mr. Dubos – Yes

Dr. Firster – Yes
Mrs. Salapata – Yes
Mr. Simon – Yes
Mr. Messersmith – Yes
Mr. Biery – Yes

Motion carried.

- IX. Accreditation Coordinator Report:** Mrs. Markusic provided a written report to the Board for their review.

MOTION: 20-124 made by Dr. Firster, second by Mr. Dubos to accept the Accreditation Coordinator's written report as presented.

Roll Call Vote:

Mr. Borocz – Yes
Mr. Dubos – Yes
Dr. Firster – Yes
Mrs. Salapata – Yes
Mr. Simon – Yes
Mr. Messersmith – Yes
Mr. Biery – Yes

Motion carried.

- X. Board Report: None**

- XI. Old Business:** A. Passage of Revision of "Regulation of the Trumbull County Combined Health District for Establishing Fees" .06 Food A. – E. – 2nd Reading – The proposed local vending fee for 2021 is \$28.15, plus the \$6.00 state fee for a total vending fee of \$33.52.

MOTION: 20-125 made by Mr. Messersmith, second by Mr. Borocz to approve the second reading of the proposed vending fee change for licensing period 2021.

Roll Call Vote:

Mr. Borocz – Yes
Mr. Dubos – Yes
Dr. Firster – Yes
Mrs. Salapata – Yes
Mr. Simon – Yes
Mr. Messersmith – Yes
Mr. Biery – Yes

Motion carried.

- XII. New Business:** A. Declaration of Unfit for Human Habitation – 2405 Mahan Denman Rd., Bristol Twp. – Mary Messenger Clark, Owner – Ms. Clark did participate in the meeting via telephone. A request

was made by the Bristol Township Trustees to determine if the structure was fit for human habitation. An inspection was conducted on August 28, 2020, and the inspector noted the presence of solid waste, gross unsanitary conditions and that the back of the home is open to the elements. Ms. Clark stated that she gave the home back to the mortgage company and moved. She agreed that the home was unfit. Mr. Wilster asked if Ms. Clark understood what was happening, and she replied no. Mr. Wilster explained the process to her, and told her that she would have to work with Bristol Township Trustees regarding the home.

MOTION: 20-126 made by Mr. Messersmith, second by Dr. Firster to declare the structure at 2405 Mahan Denman Rd., Bristol Twp., unfit for human habitation.

Roll Call Vote:

Mr. Borocz – Yes
Mr. Dubos – Yes
Dr. Firster – Yes
Mrs. Salapata – Yes
Mr. Simon – Yes
Mr. Messersmith – Yes
Mr. Biery – Yes

Motion carried.

B. Rescission – Declaration of Unfit for Human Habitation – 78B Trumbull Ct., Newton Falls – James A. Patitucci, Owner – Not present. At the August 12, 2020, Board of Health meeting, the Board voted to declare this structure unfit for human habitation. Since that time, a new owner has obtained possession of the property and has made several repairs. Newton Falls City Officials stated that they were presented evidence showing that the conditions that were present at the time of the health department’s inspection have been corrected, and requested that the Board of Health rescind their declaration. A recent inspection was conducted by the health department, and we concur with Newton Falls’ findings.

MOTION: 20-127 made by Mr. Borocz, second by Mr. Messersmith to rescind the August 12, 2020, declaration of unfit for 78B Trumbull Ct., Newton Falls.

Roll Call Vote:

Mr. Borocz – Yes
Mr. Dubos – Yes
Dr. Firster – Yes
Mrs. Salapata – Yes
Mr. Simon – Yes
Mr. Messersmith – Yes
Mr. Biery – Yes

Motion carried.

XIII. Citizens Comment: None

XIV. Approval of Payment of the Bills: *MOTION: 20-128* made by Mrs. Salapata, second by Dr. Firster to approve the payment of the bills as presented.

Roll Call Vote:

Mr. Borocz – Yes
Mr. Dubos – Yes
Dr. Firster – Yes
Mrs. Salapata – Yes
Mr. Simon – Yes
Mr. Messersmith – Yes
Mr. Biery – Yes

Motion carried.

XV. Date of Next Regular Meeting: *MOTION: 20-129* made by Mr. Borocz, second by Mrs. Salapata to change the meeting dates for November and December to November 18, 2020, and December 16, 2020, due to the Thanksgiving and Christmas holidays.

Roll Call Vote:

Mr. Borocz – Yes
Mr. Dubos – Yes
Dr. Firster – Yes
Mrs. Salapata – Yes
Mr. Simon – Yes
Mr. Messersmith – Yes
Mr. Biery – Yes

Motion carried.

XVI. Executive Session: *MOTION: 20-130* made by Mr. Messersmith, second by Mr. Borocz to go into executive session for discussion of employee contracts.

Roll Call Vote:

Mr. Borocz – Yes
Mr. Dubos – Yes
Dr. Firster – Yes
Mrs. Salapata – Yes
Mr. Simon – Yes
Mr. Messersmith – Yes
Mr. Biery – Yes

Motion carried.

MOTION: 20-131 made by Mr. Messersmith, second by Mrs. Salapata to reopen to public session.

Roll Call Vote:

- Mr. Borocz – Yes
- Mr. Dubos – Yes
- Dr. Firster – Yes
- Mrs. Salapata – Yes
- Mr. Simon – Yes
- Mr. Messersmith – Yes
- Mr. Biery – Yes

Motion carried. (Closed 1:38 PM – Reopened 2:15 PM)

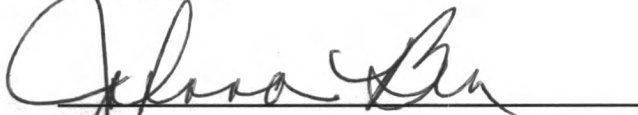

XVII. Adjournment: MOTION: 20-132 made by Mr. Messersmith, second by Dr. Firster to adjourn.

Roll Call Vote:

- Mr. Borocz – Yes
- Mr. Dubos – Yes
- Dr. Firster – Yes
- Mrs. Salapata – Yes
- Mr. Simon – Yes
- Mr. Messersmith – Yes
- Mr. Biery – Yes

Motion carried. (Adjournment 2:16 PM)

Trumbull County Combined Health District

ATTESTED BY:

Robert Biery, Jr.
President
Trumbull County Board of Health

For

Frank Migliozi, MPH, REHS/RS
Health Commissioner and Secretary
Trumbull County Board of Health

Health Commissioner's Report – October 28, 2020 Board of Health Meeting

1) Budget/Financial

- Attached is the monthly financial report for September 2020. The general fund is at a positive cash balance of \$768,258.88, and our all fund balance at \$2,238,973.73.

2) Credit Card

- Quarterly update on the credit status has not changed.
- For the credit card transactions, please see the list of bills.

3) Vehicles

- Attached is the cost analysis for the month of September for the vehicles. The overall cost savings with the vehicles, for the month of September was \$1,246.77, with a year to date savings of \$6,586.46.

4) Building/Grounds

- Trumbull County Maintenance has installed a new sump pump in our basement with a battery back up to protect against future flooding in the basement.
- The maintenance department has also painted the walls and floor in the basement storage room, and has built shelving for us.

5) Union/Management

- None

6) Policies/Procedures – Revisions – (None)

7) COVID-19 (Coronavirus)

- Trumbull County has experienced a recent rise in COVID cases, all coming from the general public. Our case rates and positivity rates have also increased, indicating high community spread. As a result, we continue to hold weekly calls with the EOC to review data and determine strategies to control the virus from spreading.
- The state has recently released a COVID vaccination plan, and we are using it as a supplement to our Mass Prophylaxis Plan to prepare for the next phase in the pandemic response.
- Weekly calls are continuing with the Trumbull County School Superintendents, and we are working with those districts who have had outbreaks within their school systems regarding contact tracing and reporting.
- ODH did release a guidance document on how to handle Trick or Treat, and the guidance document developed by our agency and the EOC complimented ODH's. We distributed these documents to all the political subdivision in Trumbull County.
- The strike call meetings for "hot spot" outbreaks in congregate living sites, as well as workplaces are continuing. This "Strike Team" involves rapid identification of cases, enhanced contact tracing and increased testing so that individuals that are positive or exposed can be properly isolated and quarantined to limit the spread of the virus. We have experienced good cooperation with the team members and the facilities. We currently only have 1 facility that is participating in the strike team calls. As this facility has not had any positive cases in the last 28 days, that call should be ending.
- Weekly calls continue with other Ohio Health Commissioners with the Governor's office reviewing more recent strategies that are being instituted to combat COVID-19.

Trumbull County Combined Health District
Nursing Department Board Report

Board of Health Report October 28, 2020 for September 2020

- COVID-19 update: Of the lab confirmed COVID cases thru September 30, 2020, TCCHD nursing staff has followed up on 1,946 reported positive cases. Current median age for cases is 53 years, 1073 females, 873 males and 348 reported hospitalizations. TCCHD quarantined 1,402 contacts associated with these cases for this time period. The Trumbull County Zip code data was also analyzed for this time period and is attached to this report along with an epidemiology curve that is current to October 15, 2020. The nursing division is working on planning for distribution of COVID-19 vaccine for when it becomes available.
- The TCCHD Home Visitors participated in a CQI (Continuous Quality Improvement) project with the Ohio State University College of Medicine which started September 2019 and finished August 2020. Attached is the final PDSA (Plan, Do, Study, Act) report. The home visitors completed Gestational Diabetes (GDM) Screenings on all prenatal and postnatal mothers (up to 1 year postnatal). When a mother screened positive they were provided a GDM tool kit and education to assist the mom to improve her diet and exercise and follow up with her physician for further testing. TCCHD home visitors screened 87 mothers for GDM, with 8 mothers that screened positive for GDM and 3 mothers diagnosed with Type 2 Diabetes. TCCHD plans to continue the initial GDM screenings with education and obtained more tool kits from the Ohio State University to provide to mothers that screen positive.
- Attached is a copy of the overdose report for September 2020.
- Attached is the September 2020 Project DAWN report, Influenza report and Animal Bite report.

GDM CQI Project - Site Specific Report for August 2020 Trumbull County Combined Health District

PDSA WORKSHEET

Team Name: Trumbull County Combined Health District (TCCHD)	Date of Test: 09/01/2019	Test Completion Date: 10/01/2019
Overall team/project aim: By August 31, 2020, 80% of Trumbull County women that have a positive prenatal Gestational Diabetes Mellitus (GDM) screen will receive a postpartum Type 2 Diabetes Mellitus (T2DM) screen.		
What is the objective of the test? Beginning September 1, 2019, provide a GDM eligibility screen for all prenatal women and women up to 12 month postnatal that are enrolled in TCCHD's home visiting programs (HMG, MIECV).		
What 90-day goal does the change impact? TCCHD's enrolled HMG and MIECHV prenatal and 12 month postnatal women that receive a home visit will be screened for GDM eligibility.		

<p>PLAN: Briefly describe the test: Screen for eligibility all prenatal and up to 12 month postnatal HMG and MIECHV women visited by TCCHD home visitors during September 2019 for a positive GDM.</p> <p>How will you know that the change is an improvement? # of prenatal and up to 12 month postnatal women that are screened for eligibility.</p> <p>What driver does the change impact? <u>Primary driver</u> – Women that screen positive for GDM will be educated and empowered to follow up for T2DM screening and receive the T2DM. <u>Secondary driver</u> – Women at risk for Diabetes Mellitus (DM) will be educated to change behaviors that impact this disease.</p> <p>What do you predict will happen? 95% of prenatal and 12 month postnatal women visited during September 2019 will receive a screen for GDM eligibility.</p>	<p>DO: Test the changes.</p> <p>Was the cycle carried out as planned? <input checked="" type="checkbox"/> Yes <input type="checkbox"/> No</p> <p>Record data and observations.</p> <p>10/02/2019:</p> <ul style="list-style-type: none"> TCCHD Home Visitors completed 27 (96%) GDM screens September 1 through September 30, 2019; and there were 28 prenatal/postpartum women eligible during this time period. All but one eligible prenatal/postpartum woman visited was screened for GDM. Out of the 27 prenatal/postpartum women screened, 3 (11%) screened positive. Home visiting staff attended webinar trainings and were eager to learn and participate. Home visitors felt empowered with GDM knowledge. Screening tool took very little time away from required home visit activities and screenings; and was easy to use once explained to home visitors. <p>11/07/2019:</p> <ul style="list-style-type: none"> TCCHD Home Visitors completed 8 new GDM screens October 1 through October 31, 2019; and there were 8 new prenatal/postpartum eligible women visited during this time period. None of the new screened women had a positive GDM. This brings the total screened to 35, with 3 (9%) screened positive. The second form was completed on 2 of the three women that had a positive GDM. Education and a tool kit were provided to these mothers. The third woman that tested positive has not had a home visit since the first screening. Schedules are monitored during HV Supervision for eligible women that should be screened. TCCHD HVs have embraced this project

TCCHD Home Visitors will screen prenatal and up to 12 month postnatal women visited September 2019 for GDM eligibility.	TCCHD Home Visitors	September 2019	At the family's home.
Status of screenings will be followed up during HV Supervision review of families.	TCCHD HV Supervisor	Weekly starting with September 1, 2019 Home Visits.	TCCHD
TCCHD Home Visitors will follow up on all prenatal and up to 12 month postnatal women that screened positive for GDM to get tested for T2DM.	TCCHD Home Visitors	During scheduled home visits	At the eligible family's home.

Plan for collection of data:

- TCCHD's Home Visitors will collect data during home visits.
- Completed forms will be returned to TCCHD HV Supervisor as collected.
- TCCHD HV Supervisor will fax completed forms to GRC @ 614-685-0168 by the 1st of each month.
- TCCHD HV Supervisor will review data analysis as available and share with the Home Visitors during weekly HV supervision and/or monthly staff meetings.
- TCCHD HV Supervisor will share data analysis with the TCCHD Health Commissioner during monthly HV Supervisor meeting.

and understand the importance and benefit for those that screen positive.

- Two TCCHD Home Visitors participated in the GDM webinar and felt comfortable sharing their knowledge of the project.

12/02/2019:

- TCCHD Home Visitors completed 10 new GDM screens November 1 through November 30, 2019; and there were 10 new prenatal/postpartum eligible women visited during this time period. None of the new screened women had a positive GDM. This brings the total screened to 45, with 3 (6%) screened positive.
- The monthly form was completed on 1 of the three women that had a positive GDM. The other 2 women that tested positive have not been seen during this time period.
- Mother's that tested positive for GDM (3) are discussed with the home visitors during HV supervision and the Home Visitors are reminded to do the monthly forms. One mother has not been seen since she was identified as positive for GDM.
- To date, Trumbull County has 6 enrolled families that still need to be screened; and 6 new referrals that will need screened once they enroll into the program. HV Supervisor maintains a list of all families that have been screened, families that still need screened, and referrals that will be added to the "need screened" list once they enroll. This is discussed at HV supervision with each Home Visitor and the list is updated as needed.

01/02/2020

- TCCHD Home Visitors completed 5 new GDM screens and 1 monthly follow-up for December 1 through December 31, 2019. Three of the newly screened women were negative for GDM and two of the newly screened mothers were already diagnosed with T2DM and one of these mothers is taking insulin. This brings the total screened to 50, with 3 (6%) screened positive for GDM.
- A monthly form was completed on 1 of the three women that had a positive GDM. To date, 2 of the positive GDM mothers have had the postpartum follow-up form completed and one monthly follow-up form completed. The third mother that tested positive for GDM is not available during home visits due to her work schedule. Home visits are done with the dad.

- Mother's that tested positive for GDM (3) are discussed with the home visitors during HV supervision and the Home Visitors are reminded to do the monthly forms.
- To date, Trumbull County has 5 enrolled families that still need to be screened; and 3 new referrals that will need screened once they enroll into the TCCHD HV program. HV Supervisor maintains a list of all families that have been screened, families that still need screened, and referrals that will be added to the "need screened" list once they enroll. This is discussed at HV supervision with each Home Visitor and the list is updated as needed.

02/03/2020

- TCCHD Home Visitors completed 6 new GDM screens and 1 monthly follow-up for January 1, to January 31, 2020. Five of the newly screened women were negative for GDM and one of the newly screened mothers was positive for GDM. This brings the total screened to 56, with 4 (7%) screened positive for GDM.
- To date, 2 of the positive GDM mothers have had the postpartum follow-up form completed and two monthly follow-up forms completed. The one mother that has not been available during past home visits is now saying she was NOT positive for GDM and will not participate with the follow up forms. The fourth mother that tested positive for GDM is newly identified.
- To date, Trumbull County has 2 enrolled families that still need to be screened; and 11 new referrals that will need screened once they enroll into the TCCHD HV program. The HV Supervisor maintains a list of all families that have been screened, families that still need screened, and referrals that will be added to the "need screened" list once they enroll. This is discussed at HV supervision with each Home Visitor and the list is updated as needed.

03/02/2020

- TCCHD Home Visitors completed 3 new GDM screens and 1 pregnant intake form for February 1 through February 29, 2020. Two of the newly screened women were negative for GDM and one of the newly screened mothers said she does not recall having the test. This brings the total screened to 59, with 4 (7%) screened positive for GDM.
- To date, 2 of the positive GDM mothers have had the postpartum follow-up form completed and two monthly follow-up forms completed (with one mom now saying she is not GDM positive and

is refusing to participate); and one GDM positive mother has had the pregnant follow up form. One positive GDM mother has exited the HMG home visiting program. This leaves TCCHD with two mothers that are participating in the follow up for GDM.

- To date, Trumbull County has 3 enrolled families that still need to be screened; and 8 new referrals that will need screened once they enroll into the TCCHD HV program. The HV Supervisor maintains a list of all families that have been screened, families that still need screened, and referrals that will be added to the "need screened" list once they enroll. This is discussed at HV supervision with each Home Visitor and the list is updated as needed.

04/01/2020

- TCCHD Home Visitors completed 10 new GDM screens and 1 postpartum intake form for March 1 through March 31, 2020. One of the newly screened women was positive for GDM. This brings the total screened to 69, with 5 (7%) screened positive for GDM, and 3 diagnosed with T2DM.

- To date, one of the positive GDM mothers have completed the postpartum follow-up forms as she is now 1 year postpartum; one mother has completed 3 postpartum forms; one mother completed the prenatal follow up form and will resume forms once delivered; and one mother is no longer part of the QJ project as she has exited the HMG home visiting program. This leaves TCCHD with two mothers that are participating in the follow up for GDM.

- To date, Trumbull County has 8 new referrals that will need screened once they enroll into the TCCHD HV program. The HV Supervisor maintains a list of all families that have been screened, families that still need screened, and referrals that will be added to the "need screened" list once they enroll. This is discussed at HV supervision with each Home Visitor and the list is updated as needed.

05/01/2020

- TCCHD Home Visitors completed 6 new GDM screens, 1 monthly screen and 1 postpartum intake form for April 1 through April 30, 2020. This brings the total screened to 75, with 5 (7%) screened positive for GDM, and 3 diagnosed with T2DM.

- To date, one of the positive GDM mothers have completed the postpartum follow-up forms as she is now 1 year postpartum; one mother has completed 4 postpartum forms; one mother completed the prenatal follow up form and will resume forms once delivered; and one mother is no longer part of the QJ project as she has exited

the HMG home visiting program. This leaves TCCHD with two mothers that are participating in the follow up for GDM.

- To date, Trumbull County has 4 new referrals that will need screened once they enroll into the TCCHD HV program. The HV Supervisor maintains a list of all families that have been screened, families that still need screened, and referrals that will be added to the "need screened" list once they enroll. This is discussed at HV supervision with each Home Visitor and the list is updated as needed.

06/01/2020

- TCCHD updated the April and May 2020 reports as the mother that said she was diagnosed with T2DM said during her May tele-visit that she does not have T2DM, but had GDM. The home visitor completed the #2 and #3 forms for this reporting period since mom has since delivered.

- TCCHD Home Visitors completed 1 new GDM screens, 2 monthly screens, 1 GDM intake form (#2 form) and 1 postpartum intake form for May 1 through May 31, 2020. This brings the total screened to 76, with 5 (7%) screened positive for GDM, and 3 diagnosed with T2DM.

- To date, there are 3 postpartum women being monitored monthly. Two mothers have either exited or completed the 1 year postpartum monthly screenings.

- To date, Trumbull County has 5 new referrals that will need screened once they enroll into the TCCHD HV program. The HV Supervisor maintains a list of all families that have been screened, families that still need screened, and referrals that will be added to the "need screened" list once they enroll. This is discussed at HV supervision with each Home Visitor and the list is updated as needed.

07/01/2020

- TCCHD Home Visitors completed 4 new GDM screens and 3 monthly screens for June 1 through June 30, 2020. This brings the total screened to 80, with 5 (6%) screened positive for GDM, and 3 diagnosed with T2DM.

- To date, there are 2 postpartum women being monitored monthly. Three mothers have either exited or completed the 1 year postpartum monthly screenings.

- To date, Trumbull County has 8 new referrals that will need screened once they enroll into the TCCHD HV program and 2 newly enrolled mothers. The HV Supervisor maintains a list of all families that have been screened, families that still need screened, and referrals that will be added to the "need screened" list once they enroll. This is discussed at HV supervision with each Home Visitor and the list is updated as needed.

08/01/2020

- TCCHD Home Visitors completed 4 new GDM screens and 1 monthly screens for July 1 through July 31, 2020. 2 of the 4 newly screened mothers screened positive for GDM. This brings the total screened to 84, with 7 (8%) screened positive for GDM, and 3 diagnosed with T2DM.
- To date, there are 2 postpartum women being monitored monthly. Three mothers have either exited or completed the 1 year postpartum monthly screenings.
- To date, Trumbull County has 6 new referrals that will need screened once they enroll into the TCCHD HV program. The HV Supervisor maintains a list of all families that have been screened, families that still need screened, and referrals that will be added to the "need screened" list once they enroll. This is discussed at HV supervision with each Home Visitor and the list is updated as needed.

09/01/2020

- TCCHD Home Visitors completed 3 new GDM screens and 1 monthly screens for August 1 through August 31, 2020. 1 of the 3 newly screened mothers screened positive for GDM. This brings the total screened to 87, with 8 (9%) screened positive for GDM, and 3 diagnosed with T2DM.
- To date, there are 2 postpartum women being monitored monthly. Three mothers have either exited or completed the 1 year postpartum monthly screenings.
- To date, Trumbull County has 7 new referrals that will need screened once they enroll into the TCCHD HV program or complete their GDM screening. The HV Supervisor maintains a list of all families that have been screened, families that still need screened, and referrals that will be added to the "need screened" list once they enroll. This is discussed at HV supervision with each Home Visitor and the list is updated as needed.

What did you observe that was not part of our plan?
Nothing.

STUDY:

Did the results match your predictions? Yes No

Compare the result of your test to your previous performance:
10/02/2019:

- N/A – This is the first test.

11/07/2019

- This performance was comparable to September's screenings and there were fewer women to screen because most of them were screened in September.

01/02/2020

- Performance was comparable to October's and November's and there are fewer screenings because most women enrolled in TCCHD's HV program have had an initial screening. Monthly screenings for the three women that have tested positive is challenging as they don't always keep their HV appointments.

02/02/2020

- Home visitors are doing well remembering to screen newly enrolled mothers. The HV Supervisor recommends the screening be done during the initial HV when appropriate. The challenge is remembering to do it during subsequent visits, which is why it is discussed during weekly HV supervision.

03/02/2020

- The initial screenings for newly enrolled families are going very well. The challenge is completing the follow up forms for the GDM positive mothers. HV supervision seems to be a good platform to remind home visitors to put forms in their charts and to continue the educating about T2DM.

04/01/2020

- The initial screenings for newly enrolled families are going very well. The challenge is documentation in OCHIDS about education given to the families that are both GDM positive and T2DM. Home Visitors are reminded to include this and notes are being sent back to add if the topic was discussed. TCCHD's Reproductive Health and Wellness program (RHWP) is starting April 1, 2020 and we are looking forward to collaborating with the Nurse Practitioner to incorporate both the follow up testing and education in their practice.

05/01/2020

- Nothing different to report.

06/01/2020

- The challenge is making sure the data for positive GDM is completed accordingly. Home visitors will be reminded during HV supervision.

07/01/2020

- The coaching call helped the HV staff ask questions more freely and engaged them to understand their role when working with mothers that have either positive GDM or T2DM. These calls are beneficial for the staff.

08/01/2020

- The recipe resources from the July webinar has been great! HVs are printing them and providing them to the moms during their diaper drop offs.

09/01/2020

- TCCHD's HV team attended the final GDM webinar. During discussion with the team, it was decided that TCCHD plans to continue the initial GDM screen with all prenatal and up to one-year post-partum new referrals. TCCHD also plans to complete the #2 form to collect valuable data from any GDM positive mother so that appropriate resource referrals and follow up can be made. TCCHD does not plan to do a monthly form, but does plan to assess the status of positive GDM mothers follow up with their physician. TCCHD also plans provide GDM resources e.g. cook books, GDM tool kit, recipes, etc. for mothers that have tested GDM positive. The HV supervisor will continue to monitor the completion of these activities during HV supervision. This monitoring allowed TCCHD to capture better than 95% screening of all moms enrolled into TCCHD's HV program, which was the goal.

What did you learn?

Proposed tasks were not difficult to complete and follow up with staff engaged conversations about their families.

ACT: Decide to Adopt, Adapt, or Abandon.

Adapt: Improve the change and continue testing plan. Plans/changes for next test.

	<p><input checked="" type="checkbox"/> <u>Adopt</u>: Select changes to implement on a larger scale and develop implementation plan and plan for sustainability.</p> <p><input type="checkbox"/> <u>Abandon</u>: Discard this change idea and try a different one.</p>
