- V. Health Commissioner Report:** Mr. Migliozi presented a written report to the Board for their review. In addition, Mr. Migliozi informed the Board that the date for the start of union negotiations had been postponed until November 28, at the request of the union. The health district has ordered 400 of the new COVID-19 test kits, which is a proctored test kit that includes an e-med visit that allows for treatment without going to urgent care or a visit to the doctor's office. Trumbull County has had two confirmed Monkeypox cases. The health district is investigating the cases, notifying individuals, and giving them direction on what they need to do. The health district has been working with the EMA Director on how we would respond in various emergencies with regard to notification to those individuals who do not have electricity, such as our Amish community, or to those with functional needs. A NACCHO grant became available that would help to address notification of emergencies to those individuals with disabilities, and were awarded \$75,000.00 for this grant. We will be collaborating with Easter Seals on this grant in identifying individuals and developing a plan to respond to those individuals in an emergency. Mr. Migliozi and Mr. Wilster attended a meeting on the removal of the dam in Leavittsburg. There was a lot of concern due to a lack of information, we pledged to assist in collection information, and one of things that was asked was to see if ODH would conduct a human impact assessment with regard to the removal of the dam. We did reach out to ODH and they said that they would not be involved in a situation like this because the dam is not a point source discharge, and that they would yield to the Ohio EPA. We spoke with Ohio EPA, and they stated that they would be glad to be involved in that assessment.

Mr. Simon stated that he did not understand how removal of the dam would affect the discharge of the residents' septic systems, and asked if that was their concern. Mr. Migliozi responded that that is one of their concerns, but another concern is the amount of sediment that will be exposed and the constituency of that sediment with potential metals or chemicals; and yes, they are also concerned with the water level and discharge pipes. Currently the pipes are under water and the discharge is mixing with the water and being flushed away. If they take the dam out the pipe will be exposed and there will be stagnant water, which could potentially cause a nuisance issue. The EPA has addressed that issue, and have said that when the dam is removed, if pipes are exposed and water becomes stagnant, the EPA, at their own cost, would extend the pipes back into the water system at no cost to the resident. Mr. Simon stated that right now, the septic systems are discharging into the river and we cannot see it, but when the dam is removed, they will still discharge into the river, but we will be able to see it and smell it? Mr. Migliozi stated that in some cases, that is correct, but in some cases it still would not be noticeable. There is a reason why there is an EPA order to have that area sewered, and it is because there is wide spread pollution from failing sewage systems, but some have been replaced in recent years.

Mr. Messersmith asked if there was anything with regard to the proposed 2023 budget that should be brought to the Board's attention. Mr. Migliozi stated no, there is not much change, and is confident that what has been revised covers everything.

MOTION: 22-197 made by Mrs. Salapata, second by Mr. Simon to accept the Health Commissioner’s written report as presented.

Roll Call Vote:

- Mr. Biery – Yes
- Mr. Borocz – Yes
- Mr. Dubos – Yes
- Dr. Firster – Yes
- Mrs. Salapata – Yes
- Mr. Simon – Yes
- Mr. Messersmith – Yes

Motion carried.

VI. Director of Nursing Report: Mrs. Swann presented a written report to the Board for their review. In addition, Mrs. Swann added that they are predicting a bad flu year, and is encouraging everyone 6 months and older to get their flu shot, and it is recommended that anyone 65 and older get the higher dose flu vaccine.

Mr. Dubos asked Mrs. Swann that in her report it stated that COVID cases continued to decline, but in the Health Commissioner’s report, he stated that they were climbing? Mrs. Swann stated that when she wrote her report, they were still declining, but since the writing of her report, they have started to climb.

Mr. Messersmith asked if the Monkeypox cases in Trumbull County were geographically located near each other. Mrs. Swann stated that they were not.

MOTION: 22-198 made by Mr. Dubos, second by Mr. Borocz to accept the Director of Nursing report as presented.

Roll Call Vote:

- Mr. Biery – Yes
- Mr. Borocz – Yes
- Mr. Dubos – Yes
- Dr. Firster – Yes
- Mrs. Salapata – Yes
- Mr. Simon – Yes
- Mr. Messersmith – Yes

Motion carried.

VII. Director of Environmental Health Report: Mr. Wilster was not in attendance, but did submit a written report to the Board for their review, and Mr. Migliozi stated that he would answer any questions that the Board may have. Mr. Dubos asked Mr. Migliozi about the increased construction and demolition debris facility inspections. Mr. Migliozi stated that when the first complaint was received, approximately a year ago, he recommended that the inspections be increased to at least weekly inspections.

MOTION: 22-199 made by Mrs. Salapata, second by Mr. Biery to accept the Director of Environmental Health’s report as presented.

Roll Call Vote:

- Mr. Biery – Yes
- Mr. Borocz – Yes
- Mr. Dubos – Yes
- Dr. Firster – Yes
- Mrs. Salapata – Yes
- Mr. Simon – Yes
- Mr. Messersmith – Yes

Motion carried.

VIII. Grants Coordinator Report: Ms. Amerine was not in attendance at the meeting, but did provide the Board with a written report.

MOTION: 22-200 made by Mr. Borocz, second by Dr. Firster to accept the Grants Coordinator’s written report as presented.

Roll Call Vote:

- Mr. Biery – Yes
- Mr. Borocz – Yes
- Mr. Dubos – Yes
- Dr. Firster – Yes
- Mrs. Salapata – Yes
- Mr. Simon – Yes
- Mr. Messersmith – Yes

Motion carried.

IX. Accreditation Coordinator Report: Mr. Bonacker presented a written report to the Board for their review.

MOTION: 22-201 made by Mr. Simon, second by Mrs. Salapata to accept the Accreditation Coordinator’s report as presented.

Roll Call Vote:

- Mr. Biery – Yes
- Mr. Borocz – Yes
- Mr. Dubos – Yes
- Dr. Firster – Yes
- Mrs. Salapata – Yes
- Mr. Simon – Yes
- Mr. Messersmith – Yes

Motion carried.

- X. **Health Educator Report:** Mr. Kriebel was on a mandatory call for his grant and was unable to attend the meeting, but did provide a written report to the Board.

MOTION: 22-202 made by Dr. Firster, second by Mr. Simon to accept the Health Educator's written report as presented.

Roll Call Vote:

- Mr. Biery – Yes
- Mr. Borocz – Yes
- Mr. Dubos – Yes
- Dr. Firster – Yes
- Mrs. Salapata – Yes
- Mr. Simon – Yes
- Mr. Messersmith – Yes

Motion carried.

- XI. **Board Report:** None

- XII. **Old Business:** None

- XIII. **New Business:** A. Authorization to the Health Commissioner to Accept Resignations – As the Board is aware, the health district has had some resignations recently that were brought before the Board, and therefore were not accepted in a timely manner. The Board of Health's personnel consultant, Clemans Nelson, suggested that the Board authorize the Health Commissioner to accept resignations as they occur.

MOTION: 22-203 made by Mr. Simon, second by Mrs. Salapata to authorize the Health Commissioner to accept resignations, and notification to the Board President upon acceptance of said resignations.

Mr. Dubos asked if the Health Commissioner accepts a resignation, could it then be posted as a vacancy before the Board meeting? Mr. Migliozi stated that currently in the collective bargaining agreement the language states that the Board would have to deem a vacancy, which would require a motion deeming a vacancy and authorizing the posting. Mr. Migliozi stated that he did not believe that was language in statute, but that it was language in the union contract, and since we are entering into negotiations, that is something that could be amended.

Roll Call Vote:

- Mr. Biery – Yes
- Mr. Borocz – Yes
- Mr. Dubos – Yes
- Dr. Firster – Yes
- Mrs. Salapata – Yes
- Mr. Simon – Yes
- Mr. Messersmith – Yes

Motion carried.

B. Approval of Proposed 2023 Budget – **MOTION: 20-204** made by Mr. Biery, second by Dr. Firster to approve the proposed 2023 budget as presented.

Roll Call Vote:

- Mr. Biery – Yes
- Mr. Borocz – Yes
- Mr. Dubos – Yes
- Dr. Firster – Yes
- Mrs. Salapata – Yes
- Mr. Simon – Yes
- Mr. Messersmith – Yes

Motion carried.

C. Variance Request – Dan McCollister, 8802 St. Rt. 534, Mesopotamia Twp. – Mr. McCollister was present. Mr. McCollister is in the process of upgrading his septic system, which will consist of an off-lot system. Upon laying out the system, it was determined that parts of the septic system could not be installed to comply with the state code on setback requirements from the neighboring property line. It was recommended that a variance be granted to install the sewage tank within two feet of the property line.

MOTION: 22-205 made by Mr. Biery, second by Mr. Borocz to grant a variance from rule OAC 3701-29-06(G)(3) to Dan McCollister to install the sewage tank within two feet of the property line at 8820 St. Rt. 534, Mesopotamia Twp. The owners must comply with all other code sections.

Health Commissioner's Report – November 16, 2022 Board of Health Meeting

1) Budget/Financial

- Attached is the monthly financial report for October 2022. The general fund is at a positive cash balance of \$259,401.42, and our all fund balance is at \$3,229,140.40.
- You will notice that the monthly financial report has gone to two pages, this is because the grants under Fund 954, have been split out with their own line item, those are the TUPCP Fund, MQT Fund and HW Fund.
- As the end of the year approaches, the county will soon be shutting down the issuance of purchase orders and checks. As a result, our agency will also be making many transfers between appropriations and funds to finish the year-end. The last day for fund transfers will be 11/23/22, the last day to obtain purchase orders from the 2022 budget year will be 12/1/22, and the last day in which checks will be issued for payment of bills will be 12/15/22.
- Attached you will be find our proposed 2023 budget, which we will be submitting to the county in the near future.

2) Credit Card

- Quarterly update on the credit status has not changed.
- For the credit card transactions, please see the list of bills.

3) Vehicles

- Attached is the cost analysis for the month of October for the vehicles. The overall cost savings with the vehicles, for the month of October was \$2,085.01, with YTD savings of a \$7,416.44.
- We are still waiting for the last remaining vehicle to arrive from Mark Thomas Ford.
- According to Diane Sauer Chevrolet, the Chevrolet Traverse is still in Michigan due to continued transportation issues. I have asked our legal counsel to reach out to the dealership.

4) Building/Grounds

- United Contractors will be coming on Monday, 11/14/22, to place the pod on the concrete pad/footers.

5) Union/Management

- A tentative date has been scheduled for November 17, 2022, to start union negotiations.

6) Policies/Procedures – Revisions

- ENV 1160 – Food Establishment Complaint Procedure

7) COVID-19 (Coronavirus)

- Since my last report, we have seen a rise in our 7-day case count, which was at 140, but as of 11/6/22 is currently at 270. Our case rate per 100,000 has increased from 133.9 to 207.1, and our positivity rate is currently at 9.0%.
- Our CDC Community Level Prevention Strategy ranking has gone back up to the high ranking, or orange color code, due to increased cases, resulting in a rise in hospitalizations and overall hospital usage.
- The health district continues to see a steady flow of clients who wish to receive the Bivalent COVID booster vaccine, as well as for flu shots.
- Through a new grant, we purchased two COVID-19 analyzers, which will allow us to provide real time testing, and will ease some of the need for persons to go to an urgent care facility or emergency room for testing.
- We continue to offer over the counter COVID-19 test kits, but ODH will soon be distributing proctored test kits to local health districts which will be “test to treat” kits. These kits will be used in conjunction with an e-med appointment with a doctor, and if a patient tests positive, the doctor will then be able to prescribe medication. With the upcoming holiday season fast approaching, we are excited to be able to offer citizens many different avenues to protect themselves, as well as their family and friends.

8) Accreditation

- We have begun holding CHIP meeting as a group with Warren City Health District and a few of our other partners, to make some adjustments to our county's CHIP implementation strategies.
- We continue to work on our one remaining large document, which is our Workforce Development Plan. We have held a series of meetings, which will be ongoing until the full review is completed so as to be in compliance with PHAB Standards 2022.
- We are in the process of conducting our five-year review of our policies, and will be updating them as needed.

9) Other

- To date, there have been 342 cases of Monkeypox in Ohio, with one death. Currently, there has been no confirmed cases in Trumbull County, but Ericka Clark, our epidemiologist, continues to keep a close watch on this virus transmission as it developments, looking for any evidence of it in our county.
- This week, ODH via the CDC issued a health alert pertaining to the outbreak of Ebola in Uganda. Although there have been no suspect or confirmed cases related to this outbreak in the United States, due to the increasing cases in Uganda, the CDC is reaching out to health districts, public health laboratories and healthcare workers to provide updates, make recommendations for clinicians and raise awareness of this outbreak.

Trumbull County Combined Health District Nursing Department Board Report

Board of Health Report November 16, 2022 for October 2022

- As of November 4, 2022, TCCHD has distributed approximately 43,233 doses of COVID vaccine Trumbull County and of those, 20,925 are first doses, 17,839 are second doses; 3,424 are monovalent first boosters; 532 are monovalent second boosters, and 513 are bivalent boosters (original and Omicron). Nursing staff administered 191 COVID vaccines since the last board report and most of the vaccines have been the bivalent boosters. COVID-19 reported cases continue to decline. The Pfizer bivalent COVID vaccine for 5 through 11 years of age has been authorized for emergency use by the FDA. TCCHD will begin administering this vaccine.
- Nursing Department has administered 294 Flu vaccines since the start of TCCHD's Flu Vaccination Campaign Kickoff. Annual flu vaccination is recommended for everyone six months of age and older. Influenza (flu) is a potentially serious disease that can lead to hospitalization and sometimes even death. Every flu season is different, and flu can affect people differently, but during typical flu seasons, millions of people get flu every year, hundreds of thousands of people are hospitalized and thousands to tens of thousands of people die from flu-related causes.
- Attached is a copy of the overdose report for October 2022
- Attached is the October 2022 Project DAWN report, Influenza report and Animal Bite report.

RE: Board Report (11/16/2022)

-
- **Strategic Plan:**
 - The final strategic planning for 2022 was held on 10-17-22. The committee was informed of the progress we have made toward the 2022 objectives (all fully fulfilled), as well as several indirect components related to strategic planning objectives including the replacement of website re-design survey (and subsequent closure) with the customer satisfaction survey.
 - **Performance Management:**
 - All remaining PM dashboards for the year 2022 have been fully updated and posted within the two communal areas of the health district (Nursing and Environmental) for all TCCHD personnel to view.
 - **Re-Accreditation Modules:**
 - I have continued to temporarily halt work on the re-accreditation educational service modules, to focus on the upcoming all-day, mandatory staff training agenda and material.
 - The PHAB annual report for 2022 was recently released to Frank and I for review and documentation. I have scheduled a meeting with Frank to discuss this report and what we will submit to fulfill it.
 - **Workforce Development:**
 - The last WD meeting occurred on 10-25-22. The committee adopted three main objective topics from the priority gaps and the next meeting which will occur on 11-9-2022, we will develop strategies for those objectives.
 - In conjunction with Quality Improvement Plan, and the upcoming staff training, the mentorship/successorship component of workforce development will be discussed with all TCCHD staff.
 - **Quality Improvement:**
 - We have finalized all plans for accommodations for our upcoming mandatory all-day staff training for all TCCHD staff on November the 15th, 2022. I have submitted the training plan to Frank for review.

...Building a Healthy Community

- **Community Health Assessment/Community Health Improvement Plan CHA/CHIP Plan:**
 - The TCCHD has received a copy of the CHIP from the party responsible for writing it. Jenna, Frank, and myself met to review the document to make amendments, and I have begun meeting with other stakeholders from various agencies to discuss strategies to fulfill some silent objectives still within the CHIP.
- **EHSIT/REHS Endeavors:**
 - I am currently studying the 2022 study guide for the REHS exam, and have yet to re-schedule the exam,
 - I am resuming my monthly SIT stops with other REH's to fulfill this standard outlined with ODH.
