The TCCHD is continuously monitoring the situation, and the public is invited to check our website for the latest information as it becomes available: www.tcchd.org.

[Here is the latest info on the TCCHD's work with Project MKC](#)

The TCCHD is proud to partner with Project MKC, a 501 (c)(3) non-profit organization located in Youngstown, dedicated to serving the most vulnerable children in North East Ohio. Their mission is to make the lives of children and their families a little brighter by focusing on their individual needs with the help of volunteers. Their programs provide daily essentials and positive emotional experiences to children and their families by boosting confidence and lifting spirits. Through our partnership, we receive things such as [diapers, wipes, formula, baby food, Comfort Kits, etc.] to distribute to our clients and families. Project MKC is funded exclusively by donations, and 100% of donations go directly to their programming. To find out more about Project MKC or to make a donation, visit their website at www.projectmkc.org or like them on Facebook @ProjectMKC!

[Another exciting opportunity for the TCCHD to serve Trumbull County!](#)

TCCHD will be collaborating with Trumbull Community Action Program (TCAP) and their 2 Community Health Workers to implement the grant and increase numbers for the BCCP program.
