Camps and Campground Program

Campgrounds including Recreation Camps, Recreational Vehicle (RV) Parks, Combined Park-Camps and Temporary Campgrounds are regulated under the authority of Chapter 3729 of the Ohio Revised Code (ORC) and Chapter 3701-26 of the Ohio Administrative Code (OAC).

In accordance with the regulations, an annual license must be obtained by the Trumbull County Combined Health District to operate these facilities. Renewal applications are mailed in the spring and the application and fee must be received by this agency by April 30th. A 25% late fee is assessed if payments are not received by the OAC specified time.

These facilities are then inspected at least twice a year by one of our Registered Sanitarians. Any violations will be noted and re-inspections will be conducted to assure issues have been corrected.

Any major changes to the facility must be submitted, reviewed and approved by the Ohio Department of Health.
