Mr. Adovasio – Yes
Mr. Biery – Yes
Mr. Dubos – Yes
Dr. Firster – Yes
Mrs. Salapata – Yes
Mr. Simon – Yes
Mr. Messersmith – Yes

Motion carried.

- IV. Health Commissioner Report:** Mr. Migliozi provided a written report to the Board for their review. In addition, Mr. Migliozi informed the Board of a letter from Dr. Bruce Vanderhoff, Director of the Ohio Department of Health, congratulating our agency on achieving re-accreditation. Mr. Migliozi also recognized Dan Bonacker, Accreditation Coordinator, for his hard work during the re-accreditation process. Because the agency received re-accreditation, we also received enhanced subsidy of \$58,111.87, in addition to our regular state subsidy of \$29,807.64. The 911 Center's engineering firm was in our offices on 3/10/26 reviewing and doing evaluations, and it is expected to be put before the Trumbull County Commissioners on 3/17/26.

Mrs. Salapata congratulated the entire health department on getting re-accredited, and was proud the staff's hard work.

Mr. Dubos inquired about the construction & demolition debris fund listed on the financial report. Mr. Migliozi explained that the funding listed in that fund is the health district's, which is what has been leftover since Lafarge/Lordstown Construction Recovery ceased operations.

MOTION: 26-24 made by Dr. Firster, seconded by Mr. Dubos to accept the Health Commissioner's written report as provided.

Roll Call Vote:

Mr. Adovasio – Yes
Mr. Biery – Yes
Mr. Dubos – Yes

Dr. Firster – Yes
Mrs. Salapata – Yes
Mr. Simon – Yes
Mr. Messersmith – Yes

Motion carried.

- V. Director of Nursing Report:** Mrs. Heckman provided a written report to the Board for their review. Mrs. Heckman added that the nursing division has been working on promoting the Family Connects program, conducting more outreach and was also given funding to purchase items to engage parents in the program.

Mr. Messersmith inquired as to whether the health district knows how many of the Narcan kits are used, or when. Mrs. Heckman stated that they are supposed to let the health district know, but that cannot be enforced.

MOTION: 26-25 made by Dr. Firster, seconded by Mrs. Salapata to accept the Nursing Director's written report as provided.

Roll Call Vote:

Mr. Adovasio – Yes
Mr. Biery – Yes
Mr. Dubos – Yes
Dr. Firster – Yes
Mrs. Salapata – Yes
Mr. Simon – Yes
Mr. Messersmith – Yes

Motion carried.

- VI. Director of Environmental Health Report:** Mr. Wilster provided a written report to the Board for their review. Mr. Wilster added that Lafarge/Lordstown Construction Recovery still is accepting no waste, but we continue to conduct inspections at the facility, and the health district passed the Ohio EPA's solid waste survey that they conducted on our program.

MOTION: 26-26 made by Mr. Adovasio, seconded by Mrs. Salapata to accept the Environmental Director's written report as provided.

Roll Call Vote:

Mr. Adovasio – Yes
Mr. Biery – Yes
Mr. Dubos – Yes
Dr. Firster – Yes

Mrs. Salapata – Yes
Mr. Simon – Yes
Mr. Messersmith – Yes

Motion carried.

- VII. Grants Coordinator Report:** Ms. Amerine provided a written report to the Board for their review. Ms. Amerine informed the Board that the Reproductive Health Grant is set to expire 3/31/26; however, the state has not put out the applications for continuation for another year because they are waiting on their federal notice of award. They have notified everyone that if they do not get their federal notice of award by 3/31/26, they will extend the grant for another quarter.

Mrs. Salapata inquired about the OneOhio Recovery Foundation grant. Ms. Amerine explained that when the opioid lawsuit settlement was finalized, a huge portion went to the state and they had to create a foundation that they have to put out. We put together a proposal to cover transportation costs for non-Medicaid covered recovery purpose visits such as court visits or re-entry services.

MOTION: 26-27 made by Mrs. Salapata, seconded by Mr. Dubos to accept the Grant Coordinator's written report as provided.

Roll Call Vote:

Mr. Adovasio – Yes
Mr. Biery – Yes
Mr. Dubos – Yes
Dr. Firster – Yes
Mrs. Salapata – Yes
Mr. Simon – Yes
Mr. Messersmith – Yes

Motion carried.

- VIII. Accreditation Coordinator Report:** Mr. Bonacker provided a written report to the Board for their review, and expressed his appreciation to everyone, from leadership to staff, for their support and hard work in achieving the agency's re-accreditation.

MOTION: 26-28 made by Mr. Adovasio, seconded by Dr. Firster to accept the Accreditation Coordinator's written report as provided.

Roll Call Vote:

Mr. Adovasio – Yes
Mr. Biery – Yes

Mr. Dubos – Yes
Dr. Firster – Yes
Mrs. Salapata – Yes
Mr. Simon – Yes
Mr. Messersmith – Yes

Motion carried.

- IX. Health Educator Report:** Mr. Kriebel was not present but did provide a written report to the Board for their review.

MOTION: 26-29 made by Mrs. Salapata, seconded by Mr. Dubos to accept the Health Educator's written report as provided.

Mr. Biery – Yes
Mr. Dubos – Yes
Dr. Firster – Yes
Mrs. Salapata – Yes
Mr. Simon – Yes
Mr. Messersmith – Yes

Motion carried.

- X. Board Report: None**

- XI. Old Business:** A Declaration of Unfit for Human Habitation – 1435 Ohltown Girard Rd., Weathersfield Twp., Jalto Holdings LLC/Jason Altobelli, Owner – Kelly Clarke, Weathersfield Twp. Zoning Inspector, Atty. Cherry Poteet, Weathersfield Twp. Legal Counsel and Atty. Joe Nader and Lori Butler were present. Mr. Wilster stated Weathersfield asked that this declaration be pushed from the January meeting and put on for this meeting. There has been some progress, but as far as the unfit status, currently the structure still meets the definition of unfit. Atty. Poteet stated that the owner, who is buying the structure under land contract, stated at the October meeting that they would have the shell completed, which would be the windows and doors, roofing and siding; that is what the township has wanted. The owners were given an additional two months to do so, but it is still not complete, and no work has been done in the last 30 days. Atty. Nader, representing Thomas Angst who is purchasing the property via land contract, stated that he disagreed with some aspects of what Atty. Poteet had stated. Work has been done on the structure, and a lot of progress has been made. The owners appreciate the additional time that the Board has granted to the owners, but February had some horrendous weather conditions that prevented outside work being done on the structure and requested an additional 60 days. Ms. Butler, Mr. Angst's

daughter, stated that this structure is being renovated to become her home. There is an active building permit on the building, which runs through August, and progress is being made. No one is living in it, and it is under construction, and the outside shell will be completed within the next 4-5 weeks. Ms. Butler requested that the Board either vote no or extend the time.

Following additional discussion, Mr. Messersmith asked Atty. Kokor to give his opinion. Atty. Kokor stated that he felt that pretty much what was said on both sides is probably accurate. They are under an active building permit. Of course it is unfit, but it is under construction. The Board can either declare it unfit and then the township can ask that that declaration be rescinded, or the Board can recognize that there have been some issues and table it. There is no hard legal line.

Mr. Messersmith asked what would make the township happy. Atty. Poteet responded that it would be the same as what was asked in October, to have the outside shell finished, siding, roofing, etc.

Mr. Wilster asked if the outside shell is finished, would the township rescind their request for unfit, because it would still be considered unfit. Atty. Poteet said yes, the township would rescind their unfit request.

MOTION: 26-30 made by Dr. Firster to declare the structure unfit for human habitation, seconded by Mr. Simon.

Mrs. Salapata stated that when this was discussed at a previous meeting, it was said that if it was declared unfit it would make it difficult for the owners to extend their application and asked if it would be possible to give them an additional 60 days.

Dr. Firster asked what the difference was if the Board declared it unfit or not unfit? Does that mean that the township can come in and tear it down?

Atty. Nader responded that it was his understanding that if the Board declares it unfit then they would not have the right to even rehab the structure without some action by the township, or there could be an action by the township to demolish the home.

Atty. Kokor stated that it gives the township more control.

Dr. Firster added that if the Board declares it unfit and they do everything that the township has asked with regard to the outside shell, it is still not habitable, there's no water, no electric, no toilets, nothing.

Atty. Kokor responded that the township stated that at that point, they would withdraw the complaint.

Dr. Firster asked if the Board only declares things unfit upon complaint?

Mr. Wilster responded yes, the health district only becomes involved upon a request from the township. Weathersfield Township asked that it be declared unfit, not to force the owners to put on siding. So, by definition, it is unfit for human habitation, and if the Board declares it unfit and the township then asks for that declaration to be rescinded, then in essence the whole thing was for the owners to get siding on the house.

Rod Hedge added that if it is deemed unfit and they do put siding on it and the township requests that the unfit be rescinded, technically he, as the inspector, would not be able to state that it was fit if the inside was not finished. The township probably just wants it fixed and someone living there.

Mr. Wilster added that Mr. Hedge was correct, if the Board declares it unfit and they get the outside taken care of, by definition the Board cannot rescind the unfit until it is fit.

Mr. Simon asked what the township's plans were if the structure is deemed unfit.

Atty. Poteet responded that it would go to the trustees and the trustees have the authority, based upon the declaration of unfit, declare that it needs to be repaired or demolished. There would then be a hearing before the Board of Trustees, and they can decide to either demolish it or enter into an agreement with the owners with a hard deadline to rehab the structure. The township has done that with several developers who have flipped houses.

Following additional discussion, Dr. Firster asked if he could rescind his original motion.

Mr. Messersmith asked Atty. Kokor if the Board should vote on the original motion and then a new motion be made. Atty. Kokor responded that that would be a cleaner way of handling it.

Mr. Simon asked why Dr. Firster wished to rescind his original motion. Dr. Firster explained that all he could think about was a beautiful structure that was built in 1810 that the Board declared unfit and it was torn down, and it still bothers him. Now all he is thinking about is a young family that wants to move into a house. If it were summer, that would be one thing, but the weather has not been the best, and he would like to give them more time. Mr. Simon responded that he agreed to some extent with Dr. Firster; however, when this was brought before the Board in October they were asked, with the winter coming if they were going to be able to get this done and the Board was assured that they would get it done. Weathersfield township just wants an eyesore fixed.

Mr. Messersmith stated that he felt that it was best to just take the vote on the motion and go from there.

Roll Call Vote:

Mr. Adovasio – No
Mr. Biery – No
Mr. Dubos – No
Dr. Firster – No
Mrs. Salapata – No
Mr. Simon – Yes
Mr. Messersmith – No

Motion failed.

MOTION: 26-31 made by Dr. Firster, seconded by Mr. Adovasio to table any action regarding the declaration of unfit for 1435 Ohltown Girard Rd., Weathersfield Township, until the April 22, 2026, Board of Health meeting.

Mr. Biery – Yes
Mr. Dubos – Yes
Dr. Firster – Yes
Mrs. Salapata – Yes
Mr. Simon – Yes
Mr. Messersmith – Yes

Motion carried.

- XII. New Business:** A. Retirement of Lisa Spelich – Secretary III – Mr. Migliozi stated that Lisa Spelich had submitted a letter stating her intent to retire effective May 1, 2026, and be a rehire effective May 2, 2026, pursuant to the health district's Retire/Rehire Policy. The Board adopted a policy in 2021 permitted employees to retire/rehire, and it was all based on Ohio Revised Code which spells out the terms on how a retire/rehire occurs. This letter is the first step, which is to publicly notify the Board of her intent to retire/rehire. The next meeting is when the Board officially votes on her retire/rehire.

- XIII. Citizens Comments:** None

Health Commissioner's Report – February 25, 2026 Board of Health Meeting

1) Budget/Financial

- Attached is the monthly financial report for January 2026. The general fund was at a positive cash balance of \$595,537.41 for the month of January. Our all-fund balance for the month of January was \$2,388,845.92.

2) Credit Card

- Two of the three credit cards have been renewed and will expire in 2027. The remaining credit card will expire in June of 2027. For the credit card transactions, please see the list of bills.

3) Vehicles

- Attached is the cost analysis for the month of January for the vehicles. The overall cost savings for January reflects a negative balance of \$86.89. This was primarily due to two vehicles requiring new tires and one vehicle needing new brakes, in addition to routine oil changes.

4) Building/Grounds

- There is no update on the 911 Center relocation.

5) Union/Management

- None

6) Policies/Procedures – Revisions

- None

7) Accreditation

- We received word on Wednesday, 2/18/26, that we were approved for re-accreditation.

8) Other

- The annual District Advisory Council meeting is scheduled for Wednesday, March 18, 2026, at 6:00 PM. Notices have been sent to all the mayors and chairpersons of the political subdivisions.
- There are two Licensing Council seats up for appointment this year, the campground representative and the public pool/spa representative. Notices were sent to all licensed campgrounds and pools/spas informing them of the vacancies and outlining the process for those interested in service on the council. The two individuals currently holding these seats have indicated they are interested in continuing their service on the Licensing Council. These positions will be voted on at the District Advisory Council meeting on March 18th. Once the two seats are filled, the annual Licensing Council meeting will be scheduled.

Tuberculosis Disease Risk Assessment for Trumbull County

Trumbull County Combined Health District (TCCHD)	Department: Nursing Division
Effective Date: January 2026	Description: Annual Report
Next Review Date: January 2027	Completed By: Erin Heckman, RN Director of Nursing

I. INCIDENCE OF TB DISEASE

The following is the incidence of TB Disease in Trumbull County for the year 2025:

- There were no cases of active TB Disease in Trumbull County
- There have been no multi-drug resistant TB Disease cases locally since 1998
- No clusters of persons in Trumbull County with confirmed TB Disease have been identified
- No person in Trumbull County has converted from Latent TB to TB Disease
- The impact of an outbreak of TB Disease or even an exposure of TB Disease to untested people is low based on Trumbull County's 2025 risk of TB

II. RISK CLASSIFICATION FOR TB DISEASE

Trumbull County Combined Health District is a local public health department. Based on CDC guidelines of number of patients encountered with TB Disease, Trumbull County, Ohio is considered "low risk" for the year 2025.

III. SCREENING OF TCCHD'S TB CLINIC STAFF FOR TB DISEASE

- Initial baseline skin testing for TB Clinic Staff is performed with two-step TST
- Known positive reactors are required to complete and return a symptoms questionnaire indicating whether or not they have experienced TB symptoms in the last year
- All screening records are confidentially maintained
- Annual TST will continue to be required for TCCHD clinic employees
- Annual TST for TCCHD TB clinic staff was last completed on 01/20/26 for all current TB clinic staff

IV. TB DISEASE INFECTION CONTROL PROGRAM

The Trumbull County Combined Health District TB Control RN and Epidemiologist are responsible for the TB Infection Control Plan and Respiratory Control Plan for Trumbull County Combined Health District. The plan is reviewed and updated annually. Trumbull County Combined Health District is the Trumbull County Tuberculosis Clinic and is the lead agency and member of the Trumbull County Local Emergency Preparedness Coalition. The Trumbull County Combined Health District TB Control RN and Epidemiologist maintain regular communication with the Director of Nursing for Warren City Health District and the Infectious Prevention Nurses from Mercy Health Hospital System. The Trumbull County Combined Health District TB Control RN and the Epidemiologist participate in the Quarterly TB Touch Base meeting with the Ohio Department of Health. In addition to this quarterly meeting, the Ohio Department of Health provides support through their TB Program.

V. IMPLEMENTATION OF TB DISEASE INFECTION CONTROL PLAN

The TCCHD's Medical Director and Assistant Medical Director are responsible for reviewing, approving and signing the TB policies, procedures and plans. The policies, procedures and plans for the TB clinic are maintained in the TCCHD Nursing Division and are reviewed and updated annually. Lapses in infection control are usually brought to the TB Public Health Nurse (PHN) and/or the Director of Nursing (DON) by employee reported observations. Quick resource response corrects these lapses. On-going training and education regarding TB infection-control practices is provided to all TCCHD PHN and TB clinic staff upon hire and annually or as needed thereafter.

VI. CLIENT TREATMENT AND REFERRAL

There were 26 total clients seen at the TCCHD TB Clinic for the year 2025:

- 13 were successfully treated for latent TB
- 0 relocated from the area of Trumbull County
- 3 elected not to receive treatment or were deemed not medically appropriate to receive treatment
- 10 were lost to follow-up
- Average of 6-10 referrals per month

As of January 2026, there are 9 total clients on the census at the TCCHD TB Clinic:

- 6 actively being treated for latent TB
- 3 new clients to be seen in the month of February 2025

There were no positive TB Disease clients seen at the TCCHD TB clinic for the year 2025. Based on this information, the average number of days for the following is shown:

- Presentation of patient until collection of specimens: **N/A**
- Specimen collection until receipt by laboratory: **N/A**
- Receipt of specimen by laboratory until smear results are provided to health-care provider: **N/A**
- Diagnosis until initiation of standard anti-tuberculosis treatment: **N/A**
- Receipt of specimen by laboratory until culture results are provided to health-care provider: **N/A**
- Receipt of specimen by laboratory until drug-susceptibility results are provided to health-care provider: **N/A**
- Receipt of drug-susceptibility results until adjustment of anti-tuberculosis treatment, if indicated **N/A**
- Admission of patient to hospital until placement in airborne infection isolation (All): **N/A**

VII. STAFF TIME

In 2025, staff time dedicated to the operations of the TCCHD TB Clinic was a total of 460 hours:

- Education/Teaching
- Office Consultation/Paperwork/Chart Reviews
- Mantoux Testing
- Medical Clinics
- Conference Calls
- Education Seminars/Meetings for Staff

VIII. LABORATORY PROCESSING OF TB RELATED SPECIMENS, TESTS, AND RESULTS BASED ON LABORATORY REVIEW

All tests for TB related specimens collected at the TCCHD are sent to the Ohio Department of Health Laboratories. The usual transport time for specimens to reach the lab is 24 hours. AFB smear results are reported to TCCHD within 24 hours of receipt of specimen.

IX. ENVIRONMENTAL CONTROLS FOR TB DISEASE

There is one negative pressure exam room at TCCHD for client assessment and treatment. The negative air room is monitored and negative pressure readings obtained quarterly by Thompson Mechanical of Warren, Ohio. Thompson Mechanical checks the air differential readings. The results are recorded in the TB program plan records. If the TB exam room pressure is not negative, the contracted provider will make the necessary repairs. Readings were conducted on 3/18/25, 06/19/25, and 10/03/25.

- Negative pressure room installation was performed by Thompson Mechanical on 11/15/23 for the building located at 194 W. Main St. Cortland, OH 44410. The actual air changes (ACH) per hour are 12 ACH. The room measures 14'x 10'x 8' = 1120 cubic feet. 12 ACH will require an air volume of 13,440 cubic feet per hour (1120 x 12); and the fan needs to deliver a minimum of 192 cubic feet per minute (cfm) to exhaust 13,440 cubic feet per hour (192 x 60 minutes per hour = 13,440 cubic feet per hour).

X. RESPIRATORY PROTECTIONS PROGRAM FOR TB DISEASE

The TCCHD policies and procedure for respiratory protection follow the CDC guidelines for respiratory protection. Respiratory protection education is provided for the TB Staff involved in the program. TCCHD TB clinic staff includes any staff that might have direct contact with suspect TB clients. N-95 masks are intended for use when working with suspected TB Disease clients at TCCHD. Initial fit testing and respiratory protection education is provided for newly hired TB clinic staff. Respiratory fit testing is provided to all other staff if there is a notable change in the staff's facial structure, e.g. facial hair, weight loss or gain, etc.

XI. REASSESSMENT OF TB DISEASE RISK FOR TRUMBULL COUNTY

The next scheduled TB Disease Assessment for Trumbull County will be in January 2027. There are no actions needed for this assessment at this time.

RE: Board Report (2/25/2026)

-
- **Accreditation:**
 - **Strategic Plan (S.P.):**
 - The initial strategic planning session was held on February 17, 2026. During this meeting, the Administrative/Accreditation Core Team assessed TCCHD's readiness to develop a new strategic plan and reviewed the full project framework in accordance with the NACCHO guide for local health department strategic planning.
 - **Performance Management (PM):**
 - The fourth-quarter 2026 performance management dashboards have been completed and are available in the mailroom for all TCCHD employees to review at their convenience.
 - **Re-Accreditation Work:**
 - The Public Health Accreditation Board (PHAB) Accreditation/Reaccreditation Board met on February 12, 2026, to vote on the reaccreditation status of the Trumbull County Combined Health District (TCCHD). Formal notification from PHAB has not yet been received; however, PHAB advised that the review process may take up to two weeks from the meeting date before TCCHD is informed of the Board's decision.
 - **Workforce Development (WFD):**
 - The Cultural Calendar for February of 2026 has been posted in the communal area near Room 11 and the Media Room, adjacent to the mailboxes.
 - **Quality Improvement (QI):**
 - The Quality Improvement (QI) Maturity Survey was distributed to staff on February 18, 2026. Staff were provided three weeks to complete the

survey online, with the survey closing on March 13, 2026. Results will be analyzed and compared with QI Maturity Survey data from 2022, 2023, 2024, and 2025.

○ **Community Health Assessment/Community Health Improvement Plan (CHA/CHIP):**

- Committees composed of representatives from Mahoning and Trumbull County agencies (MTCHP) continue to meet to further analyze and refine the identified priority areas and to develop corresponding priorities, goals, and objectives for each of the five priority areas. Most committees held initial meetings in early January; however, at the time of this report, strategies have not yet been finalized or incorporated into the updated CHIP.
- The New CHA has been uploaded to the TCCHD website.
