Mrs. Salapata – Yes
Mr. Simon – Yes
Mr. Messersmith – Yes

Motion carried.

III. **Approval of Minutes:** ***MOTION: 26-114*** made by Mr. Dubos, seconded by Dr. Firster to approve the minutes of the June 24, 2026, regular meeting, and the July 17, 2026, special meeting, as presented.

Roll Call Vote:
Dr. Byrne – Yes
Mr. Dubos – Yes
Dr. Firster – Yes

Mrs. Salapata – Yes
Mr. Simon – Yes
Mr. Messersmith – Yes

Motion carried.

IV. **Health Commissioner Report:** Mr. Migliozzi provided the Board with a written report. In addition, Mr. Migliozzi informed the Board that the fall Association of Ohio Health Commissioners Conference was scheduled for September 21, 2026, through September 24, 2026, which falls on the September Board meeting date. Mr. Migliozzi, Mr. Wilster and Mrs. Heckman are scheduled to attend this conference and would therefore not be in attendance for the Board meeting, unless the Board wishes to change the date.

The CDC issued a health alert to share information and notify clinicians, public health agencies and the public to be aware and protect themselves against the bits of mosquitoes and ticks, which can increase patients' risk of arboviral disease among patients who are receiving B cell-depleting or B cell-modulating medications, particularly anti-CD20 monoclonal antibodies.

Our response to the measles outbreak has been prompt by our Director of Nursing and her staff, as they continue to work with the Ohio Department of Health and hold clinics in high-risk communities. Mr. Migliozzi stated that he wished to recognize Mrs. Heckman's leadership and Shannon Weilacher, our public health nurse, as they have administered over 100 MMR vaccinations at a recent clinic.

MOTION: 26-115 made by Mrs. Salapata, seconded by Dr. Firster to accept the Health Commissioner's written report as provided.

Roll Call Vote:
Dr. Byrne – Yes
Mr. Dubos – Yes
Dr. Firster – Yes
Mrs. Salapata – Yes
Mr. Simon – Yes
Mr. Messersmith – Yes

Motion carried.

V. **Director of Nursing Report:** Mrs. Heckman provided the Board with a written report for their review. In addition, Mrs. Heckman informed the Board that we had received notification of two confirmed cases of measles, and Shannon Weilacher, RN, and Jan Chickering and TaNeisha Stevens, of the nursing division, are working diligently to get the people schedule and vaccinated at these clinics, and since last week had administered over 150 doses of the MMR vaccine. Mrs. Heckman also recognized Epidemiologist, Ericka Clark. Mrs. Clark is not only monitoring the reports on cases of measles but is also the Ebola individuals that were being monitored and has been monitoring and investigating Cyclospora cases. The nursing division also has been working in collaboration with Ashtabula County Health Department and Geauga-Lake County Health District.

Family Connects International module, which is the module that we follow for our Family Connects home visiting program, is doing a "road show" and stopping at different areas throughout the state promoting the Family Connects module, and our agency has been selected to participate in that event. The event is going to be called Mahoning Valley Road Show, and will take place on August 28, 2026, at the Mahoning Valley Campus of Care in Mineral Ridge. It is going to be a panel-style discussion, with different agencies being asked to participate to promote Family Connects.

X. **Board Report:** None

XI. **Old Business:** None

XII. **New Business:** A. Approval of Amended By-Laws – At the June Board of Health meeting, the Board was provided with a copy of the proposed amended Board of Health By-Laws for their review. At that time, Board members were asked to review the document and submit any recommended amendments prior to its presentation for adoption at this meeting. One suggested amendment was requested under Article VII-Non-Discrimination Statement and Policy to add the word "knowingly" so that it reads ...that the health district does not knowingly discriminate... . Dr. Firster inquired as to

how often the by-laws are reviewed. Mr. Migliozzi responded that they are on the same cycle as our policy reviews, which would be once every five years.

MOTION: 26-121 made by Mrs. Salapata, seconded by Mr. Dubos to approve the Trumbull County Combined Health District Board of Health By-Laws as amended.

Roll Call Vote:

Dr. Byrne – Yes
Mr. Dubos – Yes
Dr. Firster – Yes

Mr. Messersmith – Yes

Motion carried.

C. Declaration of Unfit for Human Habitation – 457 Iowa, Girard City – Tobias Martin, Owner – Mr. Martin was present at the meeting. Mr. Martin stated that he was not living in the structure, and that he had cleaned up the garage and had started cleaning out the house. He had inherited the house from his father in 2015 but was currently living down the street. Mr. Wilster stated that he was not aware that the house was vacant, which would make this issue more of a solid waste issue and not a declaration of unfit. Mr. Martin added that the water had been shut off and a water pipe had busted. His plan is to have the house gutted but did not know how long that would take. Mr. Wilster explained the declaration of unfit process. Dr. Firster stated that he felt that there were two different issues, one issue is solid waste in the garage, but the house is a different subject if Mr. Martin is not occupying it. Following additional discussion, it was decided it would be best to declare the structure unfit and suggested that Mr. Martin work with Girard City and Trumbull Community Action Program (TCAP) for assistance. (Mr. Martin was provided with TCAP's telephone number.)

MOTION: 26-123 made by Mr. Dubos, seconded by Dr. Firster to declare the structure at 457 Iowa, Girard City, a public health nuisance and in a condition dangerous to life or health. The owner must make improvements and purify the structure.

Roll Call Vote:

Dr. Byrne – Yes
Mr. Dubos – Yes
Dr. Firster – Yes
Mrs. Salapata – Yes
Mr. Simon – Yes
Mr. Messersmith – Yes

Motion carried.

D. Declaration of Unfit for Human Habitation – 8180 Edmond St., Brookfield Twp. – Tammie Hobart, Owner – Not present. Brookfield Township Zoning requested an inspection to determine if this structure was fit for human habitation. An inspection was conducted on June 10, 2026. Upon inspection, the inspector noted broken, missing or boarded windows and doors, missing or badly damaged ceiling tiles, walls and/or flooring, solid waste, mold & moisture contamination, no electrical components and gross unsanitary conditions. The inspector also commented that there is an extreme smell of animal urine, animal feces on all floor surfaces and the basement is filled with garbage.

MOTION: 26-124 made by Mrs. Salapata, seconded by Dr. Firster to declare the structure at 8180 Edmond St., Brookfield Twp., unfit for human habitation.

Health Commissioner's Report – August 12, 2026 Board of Health Meeting

1) Budget/Financial

- Attached is the monthly financial report for June & July 2026. The general fund was at a positive cash balance of $163,957.78 for the month of June and $299,969.88 for the month of July. Our all-fund balance for the month of June was $1,971.869.96 and 1,695,224.35 for the month of July.

2) Credit Card

- Two of the three credit cards have been renewed and will expire in 2027. The remaining credit card will expire in June of 2027. For the credit card transactions, please see the list of bills.

3) Vehicles

- Attached is the cost analysis for the months of June and July for the vehicles. The overall cost savings for the month of June was $3,589.29 with YTD savings of $16,843.89, and for the month of July was $5,004.13 with YTD savings of $21,848.02. You will also see that the IRS mileage rate increased in July to .76/mile. This increase is reflected in July's totals.

4) Building/Grounds

- Royalty Roofing began applying the flex coating on our roof on July 16, 2026. This project is an important investment in preserving our building and protecting our infrastructure for years to come. The attached photographs provide an overview of the appearance of the new roofing material.

5) Union/Management

- None

6) Policies/Procedures – Revisions

- None

7) Accreditation

- Based on feedback received from staff during the all-day staff training held in November 2025, along with input gathered through subsequent strategic planning meetings with the administrative team, five priority areas were identified to guide the development of our Strategic Plan. These priorities, together with our overarching strategic theme, focus on strengthening public confidence through "Trust", "Communication", "Knowledge", "Funding", and "Consistency". With these priority areas established, we developed corresponding goals, objectives, and performance measures to ensure meaningful progress and accountability in each area.

8) Other

- Oral rabies baiting will begin in Trumbull County and surrounding areas on August 7, 2026. The schedule for baiting will be hand baiting on 8/7/26 in the cities of Warren, Niles & Hubbard, and

air baiting by ODNR via helicopter on 8/10/26 and fix-wing aircraft on 8/19/26.

- I will be attending the fall AOHC conference from 9/21/26 through 9/23/26, which conflicts with our September meeting date. My attendance at this conference is mandatory, and Erin Heckman and Kris Wilster, may also be attending. It is the Board's decision, but if the Board wishes to have management staff in attendance, I am recommending that the Board change the meeting date to Thursday, 9/24/26, the day after the normal meeting date, or to the following week, which would be the 5th Wednesday of the month, 9/30/26.

- Kris Wilster, our Plumbing Inspector, Steve Pop and Atty. Kokor met with the Niles City Mayor to discuss the current plumbing inspection contract. Under the current contracts with the cities of Niles and Warren, our health district bills each city $35.00 per plumbing inspection. However, this rate no longer covers the personnel costs associated with conducting these inspections, particularly in the city of Niles. Discussion was held with Niles officials regarding revising the contact to mirror the health district's agreement with Portage County, which provides for billing at a rate of $78.68 per hour rather than a flat fee per inspection. A meeting with Warren City officials will also be scheduled in the near future to discuss restricting their contract in a similar manner.

Nursing Department Board Report

Nursing Division Staff Report

Board of Health Report August 12, 2026, for June 2026

- On June 14, 2026, the Director of Nursing was notified by the Ohio Department of Health that two residents of Trumbull County were identified as being known travelers in an area of Ebola outbreak. The Director of Nursing contacted the Health Commissioner, who activated the Incident Command Structure at a Situational Awareness Status Activation Level. Both individuals were determined to fall into the "persons with no exposure potential" category established by the CDC and were monitored for 21 days. On July 7, 2026, the Incident Command Structure was demobilized by the Health Commissioner.
- On June 20, 2026, the TCCHD was awarded a grant from the Department of Children and Youth to sponsor an event in recognition of Responsible Fatherhood Month. Staff from TCCHD and the Warren-Trumbull County Public Library hosted an event at the library branch located in the Eastwood Mall. Stations were organized to provide an educational and informational event for fathers to attend with their child. The event had 37 adults and 47 children in attendance at the event.
- On July 8, 2026, the Ohio Department of Health sent a press release on the on-going cyclosporiasis outbreak occurring nationally. Cyclosporiasis is caused by produce that is contaminated with Cyclospora. Cyclosporiasis is not typically life-threatening, however can cause watery, and sometimes explosive, diarrhea. As of July 29. 2026, Trumbull County has 18 confirmed cases that are being investigated.
- On July 23, 2026, the Ashtabula County Health Department notified the Epidemiologist of a potential measles exposure at the Bloomfield Horse Sale Auction. In conjunction with Ashtabula County Health Department and the Ohio Department of Health, a press release was sent out on July 24, 2026, by TCCHD to notify the community of the potential measles exposure. As of July 29, 2026, there have been no reported cases of confirmed measles in Trumbull County and surveillance will continue.
- Attached are the Overdose report, Project DAWN report, and Animal Bite report for June 2026.

RE: Board Report (8/12/2026)

- **Accreditation:**
  - **Strategic Plan (S.P.):**
    - A Strategic Planning Committee meeting was held on July 22, 2026, to review the proposed strategic plan objectives and their associated performance measures. During the meeting, the committee used the Nominal Group Technique (NGT) to systematically evaluate each proposed objective and determine whether it should be adopted as presented, revised based on committee feedback, or rejected. Due to time constraints, the committee completed its review of the first two strategic priority areas. The remaining priority areas will be evaluated at future meetings, and once consensus is reached on all objectives, they will be incorporated into the agency's Strategic Plan.
  - **Performance Management (PM):**
    - Data collection for the second quarter 2026 Performance Management objectives is currently underway. Most required data has been obtained from the appropriate sources, while a small amount of information is still pending. Once all data has been received, it will be compiled, analyzed, and synthesized to evaluate progress toward the established performance management objectives.
  - **Re-Accreditation Work:**
    - Frank and I continue to hold weekly meetings to review and discuss the Public Health Accreditation Board (PHAB) Standards and Measures Version 2026. To date, we have completed our review through Domain 6 and will continue evaluating the remaining domains as part of our ongoing accreditation readiness efforts.

- We also continue to review the finalized PHAB Standards and Measures Version 2026, the Refreshed Standards Crosswalk (Version 2022 to Version 2026), and the Guide to National Public Health Department Reaccreditation. These resources are being evaluated to identify changes from the previous standards and to ensure the agency remains well prepared for future accreditation and reaccreditation activities.

- **Workforce Development (WFD):**
  - The Cultural Calendar for August of 2026 has been posted in the communal area near Room 11 and the Media Room, adjacent to the mailboxes.
  - The all-day staff training held on 6/26/2026 was successfully conducted as scheduled, with participation from the entire available staff in the agency. All planned training topics on the agenda were completed.
- **Quality Improvement (QI):**
  - Members of TCCHD's Environmental Health Division, in collaboration with the Administrative Team, continue to advance a Quality Improvement (QI) project focused on the Food Program. The project utilizes the Plan-Do-Check-Act (PDCA) model, process mapping, and the Five Whys root cause analysis methodology to evaluate current processes, identify opportunities for improvement, and implement sustainable solutions. To date, the project team has held two meetings, on June 10 and July 8, 2026, and is nearing the Do phase of the PDCA cycle. Before implementation can begin, the revised policy and updated process map must be finalized to reflect the approved process improvements. Once these documents are completed, the team will begin applying the revised procedures in the field as part of the Do phase.
- **Community Health Assessment/Community Health Improvement Plan (CHA/CHIP):**
  - I continue to participate in meetings with all five Community Health Improvement Plan (CHIP) committees. The committees are still collaborating with the Health Community Partnership (HCP) to standardize priority areas, goals, and objectives through the use of an evidence table developed by HCP. HCP continues to indicate that these efforts are intended to align its priorities, goals, and objectives with those established through the Mahoning and Trumbull County Health Partnership (MTCHP) Community Health Assessment (CHA) and Community Health Improvement Plan (CHIP) process.

Warren City Strategies:

- Analyzed data from community survey for Interfaith Park
    - Waiting on the final budget for playground equipment that will be purchased.
    - After accessing the area where the existing playground equipment was, it was determined that most of the equipment is still in working and good condition.
        - Looking to purchase equipment to expand off of the existing infrastructure.
            - Replacing swings on swing set
- Met with Ohio State Extension to review Share Table strategy workplan.
    - To date, only 3 school districts have reached back out stating that they are currently implementing a share table
        - Reached out to 4 school districts via phone call to determine status on this strategy
            - Awaiting call back from each district

Niles City Strategies:

- Purchased paint and signage for the road ways that cyclists will follow for re-entry onto the newly paved Greenway Bike Trail
    - Date(s) set to install and paint the week of August 10th
        - Date may change depending on contractors and MetroParks
